Barnesville, Georgia,

November 30, 1912.

Mr. A. B. Collier,

Hamilton, Texas.

Dear Sir:

Your letter came to hand on October 9th, but on account of being very busy, I just simply haven't had time to acknowledge receipt of your letter before.

I thank you very kindly for writing me. I regret that you cannot give me the information desired regarding the descendants of Efford Cobb Collier that moved from Georgia to Texas some time during the 50s.

Thanking you again for your attention to my letter, I beg to remain

Yours very sincerely,

JCC/DF
